- *I understand transportation may not be provided due to this address change. I understand I may contact Academy District 20 Transportation at 234-1410 for more information.*
- *I understand my child has three options regarding the school he/she may attend as long as we continue to reside in Academy District 20:*
 - (1) My child may remain at this current school/feeder school indefinitely. Doing so means my child no longer has rights to any seat in any other school, including the school located within the attendance area of our new residence. If I want my child to attend a school other than the current school/feeder school at some future date, my child must apply during the January-February Choice Application Window.*
 - (2) My child may begin attending the school located within the attendance area of our new residence immediately. Doing so means my child no longer has rights to any seat in the current school/feeder school or any other school. If I want him/her to return to the current school/feeder school at some future date, my child must apply during the January-February Choice Application Window.*
 - (3) My child may remain at this current school/feeder school until some specified date later this school year. This specified date must be at the end of a regular grading period (usually, the end of the quarter). Once the school change is made, my child no longer has rights to any seat in the current school/feeder school. If I want my child to return to the current school/feeder school at some future date, my child must apply during the January-February Choice Application Window.*
- *I understand the move of my child to the school located within the attendance area of our new residence, whether now or later, may result in my child potentially being placed in another D20 school due to space limitations. I am encouraged to contact Central Registry (719-234-1224) to determine if space is available.*
- *I understand the assignment of my high school athlete to another school may impact their eligibility to play varsity sports. I am encouraged to contact the new school's athletic director before submitting this Change of Address form.*
- *I understand Academy District 20 reserves the right to revoke any offer derived from this Change of Address form if facts contrary to what is stated herein are discovered.*
- **PLEASE NOTE:** *Step-parents are not considered legal guardians unless they have legal guardianship paperwork which must be provided to Academy District 20.*
- **PLEASE NOTE:** *Updated transportation information will be posted to the Extended Parent Portal. Call Transportation at 719-234-1410 if you have questions.*
