Bucket A: Immediate Capital Needs

A. New lunchroom tables.

Continued...

- B. New carpeting throughout the building to match newly remodeled LMC.

Continued.....

- New “recovery couches” with cabinets for the health room

Bucket B: Long Term Capital Project

Broad Winged Hawk

The North Wing

Additional wing to the school would add building space and eliminate 3 modulares on campus. For the safety of staff and students, this wing would allow hallway access to the following programs:

The North Wing

- Preschool Center – classrooms, offices, enclosed playground, storage
- Art Studio w/ kiln – classroom, studio, storage, office
- STEM Center – classroom, labs and storage, training space for district science kits
- Spanish Lab – classroom, movement space, storage, office

Thank you!
