

**FRONTIER  
ELEMENTARY  
SCHOOL**

*GCNC Presentation  
Feb. 23, 2016*

## Request to Create a Cohesive, Consistent Learning Environment

- Upgrade flooring throughout building
  - Replace stone tile in entry & hallway
  - Replace carpet with vinyl flooring in hallways
  - New carpet in classrooms
- Update walls throughout hallways
  - Replace wood paneling to update & lighten environment (drywall & tackable wallpaper covering)
  - New paint throughout that matches and is updated color
- New, matching student furniture

## Create 21<sup>st</sup> Century Learning Spaces

---

- Update technology wiring and infrastructure to provide equitable and increased access to technological resources and digital learning platforms
- Sound amplification systems in classrooms
- Upgrade and modernize stage learning space
  - New sound system
  - New stage lighting
  - New flooring
- Reconfigure and update library
  - Replace furniture
  - Update lighting

# Enhance security

---

- Magnetic door systems on all doors
- Reconfigure office space

## General Maintenance Needs

---

- New roof
- Replace & update HVAC system
- New outside/entry doors
- Electrical infrastructure update (unable to support current needs without blowing a breaker)

*Thank you for your  
consideration in bringing  
Frontier into the 21<sup>st</sup>  
Century!*
