

Academy District 20 Celebrates Earth Day April 22, 2014

Ideas for celebrating Earth Day with your students:

- *Encourage students to walk or ride their bike to school.*
- *Engage students in conversations about the environment.*
- *Clean up litter around schools and community.*
- ***Reduce, reuse and recycle all day long***
- ***Remember: Every day is Earth Day. Anything to help our environment is a perfect thing to do on Earth Day and every day.***

Being good stewards of both our money and our environment gives us a great sense of satisfaction as we celebrate Earth Day 2014.

Thank you for all you do to help.
