

CU Succeed University of Colorado

ACADEMY DISTRICT 20 COLLEGE PATHWAYS

Academy 20 High School Courses Articulated with UCCS and UCD, 2018-19

Some in-building high school courses with approved instructors align with equivalent college courses and provide students with the option to earn dual high school and college credit from a local post-secondary institution. The list below indicates which Academy 20 high school courses have been articulated with the University of Colorado-Colorado Springs and University of Colorado-Denver for college credit. Student application/registration, payment of tuition, and adherence to college policies applies, and there is no guarantee of transferability of credit. Please see the teacher of the course for details. This list is current as of the last update date below and is subject to change as course offerings and approvals change.

High School Course	College Course	Available at	With teacher	College Credits	Cost
