

Project Lead the Way University of Colorado at Colorado Springs

ACADEMY DISTRICT 20 COLLEGE PATHWAYS

Academy 20 High School Courses Articulated with UCCS PLTW, 2016-17

Some in-building high school courses with approved instructors align with equivalent college courses and provide students with the option to earn dual high school and college credit from a local post-secondary institution. The list below indicates which Academy 20 high school courses have been articulated with the University of Colorado-Colorado Springs for college credit through the Project Lead the Way program. Student application/registration, payment of tuition, and adherence to college policies applies, and there is no guarantee of transferability of credit. Please see the teacher of the course for details. This list is current as of the last update date below and is subject to change as course offerings and approvals change.

High School Course	College Course on Transcript	Available at	With Teacher	Cost
Honors Aerospace Engineering	ENGR 1504	AAHS	Haley	\$306
